Property Accounting Professional

MARK FORNAL

Delivering clear, accurate financial insight for residential and commercial properties at LPMG Management.

LPMG Management

Professional Summary

A DEDICATED PROPERTY ACCOUNTING PROFESSIONAL

Mark Fornal serves as a property accounting professional at LPMG Management, where he manages financial reporting and accounting functions across a diverse portfolio of residential and commercial properties. His analytical approach and unwavering commitment to accuracy give property owners clear, dependable financial insight while enabling efficient, well-run day-to-day operations.

- Residential & Commercial Property Portfolios
- Financial Reporting — Accurate, timely, owner-ready
- Accounting Functions — Managed end to end for every property

Core Responsibilities

WHAT MARK MANAGES DAY TO DAY

Financial Reporting

Prepares clear, accurate reports that give property owners a reliable view of performance.

Accounting Functions

Oversees core accounting operations across a wide range of property accounts.

Portfolio Oversight

Manages financials for both residential and commercial properties in the LPMG portfolio.

Areas of Expertise

SKILLS THAT DRIVE RELIABLE RESULTS

- Property-level financial reporting
- Residential & commercial accounting
- Analytical, detail-driven review process
- Accuracy & internal controls
- Day-to-day operational accounting support

Portfolio Scope

A WIDE RANGE OF PROPERTY TYPES

Residential Properties

Full-cycle accounting and reporting for residential communities — keeping owners informed with accurate, timely financial statements.

Commercial Properties

Detailed financial management for commercial assets, supporting sound operational decisions with dependable, well-organized data.

Approach Commitment

PRECISION PROPERTY ACCOUNTING, BUILT ON TRUST

Through his analytical approach and commitment to accuracy, Mark Fornal helps LPMG Management deliver dependable financial reporting and efficient property operations — giving owners the clarity and confidence they need to manage their investments well.
